**Frequently Asked Questions**

**1. What is the Volusia Property Owners Association (VPOA)?**

- It is a 100% free
- 100% citizen volunteer operated
- Group of concerned property owners
- In continuous communication via email

To inspire communication, cooperation and participation with all concerns of rental property ownership in Volusia County, Florida.

**2. What can the VPOA do for me?**

Individually, each property owner has a very limited influence over all the systems in which they are involved.

If organized, assertive and vocal property owners are unquestionably the most powerful economic group in Volusia County.

**With the VPOA in place, each property owner will have their interests represented in the procedures, policies, ordinances, laws and taxation that affect us all.**

**3. How can I join your free Association?**

Go to our free website, [www.VolusiaPropertyOwners.com](http://www.VolusiaPropertyOwners.com), and leave your email address. (We will never sell or use your address for anything not VPOA related.) Be sure to include us in your address list so our new mail out will not get caught in an incoming mail filter. We hope that you may also attend our monthly meetings.

**4. When and where are your meetings?**

We have free and open meetings on the last Monday of each odd-numbered month at 6:30, at Steve's Famous Diner, 1584 S. Nova Road, Daytona Beach, FL 32114 (386) 252-0101. Each meeting has an exciting guest speaker who is available to answer all your questions. We also have a LANDLORD 101 class the last Monday of even-numbered months at Steve's Famous Diner. Food and drink are available but not required.
