

If you have received a lien resulting from a water bill in which you, as the property owner, never had direct benefit of that water  
THAT'S ILLEGAL- AS STATED IN FLORIDA STATUTE 180.135 !

And to correct this unjust practice across Florida, we are working with the Roberts Law Firm in starting a class action law suit to include all injured parties throughout Florida. Our group has beat the City of Daytona Beach on this matter and we believe it is occurring all over Florida!

If you have received { or paid } a water lien within the last 3 years on a rental property when you yourself had no personal usage of the water - IT'S IMPORTANT TO CALL MIKE ROBERTS AT THE ROBERTS LAW FIRM AT 501 821 5575 or email him at MikeRoberts@RobertsLawFirm.us  
You may get all your money back and help make this illegal practice right!
